“ Prince Ajimma turned its head, surveying the congregation with a light like satisfaction in its smooth face, nodding in the unbalanced way of its kind. Looking on, I remembered why the name of Ajimma should sound familiar to me. It was one of the princes who had absconded with a portion of Utaiharo’s clan when Aranata Otiolo had killed its former master. Syriani had mentioned its name when discussing Prince Aranata’s blasphemous murder. I studied Ajimma’s face. We were relatives, in a sense, cousins in a lineage of conquest.
