

ISD 16129 - Battle of Wodan

In ISD 16129, assisted by The Whitehorse Company foederati group, the 437th and 438th Centaurine Legions—under the direction of [Duke Titus Hauptmann](#)—in destroying one of the [Cielcin](#) worldship fortresses at [Wodan](#).

“Seized one of their worldships. What’s left of it, anyway. The demons scuttled it in orbit before their leader fled to warp.”

...

Eager to get the focus off of me, I asked, “You captured Cielcin at Wodan?”

“Only a couple hundred. Hauptmann gave them over to the LIO,” Kogan said with a conspiratorial tilt of his head, referring to the Legion Intelligence Office. He leaned further in. “I was just telling your boy here that before I left my company, Commandant Alexei—that’s my old boss—retained a pair of the prisoners for sport.”
