

ISD 17061 - The Black Feast of Akterumu (Aetavanni)

MAJOR SPOILERS AHEAD, THEREFORE TRY JUMPING

A brutal mass execution held by [SYRIANI DORAYAICA](#), the Pale *Elusha* (King) of the Cielcin, within the ancient city of Akterumu on the planet [Eue](#). In a grand, orchestrated display meant to unite the scattered clans of the *Aetavanni*, the captured Sollan vessel *TAMERLANE* and its crew—members of the elite RED COMPANY, captured at Padmurak—were sacrificed before a vast Cielcin host. Staged as a ritual offering to one of their gods, MIUDANAR THE DREAMER, the event culminated in a public massacre that symbolized the total supremacy of the Cielcin war machine, the utter rejection of peace with mankind, and marked the end of the Red Company as a notorious fighting unit of the Sollan Empire. See [spoilers tab under Kingdoms of Death "Text Occurrences"](#) for links to relevant wiki pages.

“How long has it been since so many were gathered here?” [Vati](#) asked its lord and master.

“Twelve and seven generations,” the prince answered its slave. “Not since [Araxaika](#) ended the Kinslaying.” Turning to me and switching from its native tongue to mine, the [Prophet](#) said, “That was perhaps twenty of your chiliads ago.”

“Millennia?” I asked.

Twenty thousand years. Nineteen generations.
