

A Note on Translation

“ HEREIN IS INCLUDED AN index of those terms appearing in this second volume of Lord Marlowe’s manuscript which are not easily translated into the Classical English or which bear a specific cultural or technical definition. For a more complete explanation of the methodology I employed in devising these coinages in translating from the Galstani in which the original was written, please refer to the appendices in [volume one](#) of this translation.

—Tor Paulos of Nov Belgaer
