

Adri

Proprietor of *Adri's Pub* on the planet [Kanthi](#). More than just a pourer of drinks; a maven of the city's underworld activities.

“Adri had owned the little pub for more than a decade—going on two, maybe—at any rate far longer than Kalas had been on Kanthi. She’d started it young, and might have been only a year or two his junior. She smiled crookedly up at him, the heavy makeup around her eyes making her look more tired than beautiful—not that [Kalas](#) didn’t think she was beautiful. She was the sort of woman they said had aged gracefully, who’d come to the good side of middle aged looking only a little older than she had as a girl. A little wiser, perhaps. A little more sad, with a knowing light in those blue eyes. She was an offworlder like him, yellow hair shot now with gray she hadn’t bothered to hide.
