*The Lesser Devil* - N/A

*Queen Amid Ashes* - N/A

*The Dregs of Empire* - Killed during the *Outborn* assault on Downwell camp at the [Battle for Belusha](#).

“The man who had spoken last stepped forward, hefting his energy lance like the White Sword of an executioner, prepared to bring the heavy bayonet down and slay Lorian where he stood.

“No!” Daru leaped forward, dropping his own gun in his haste to catch the man’s lance in both his hands. That action saved Lorian’s life—and cost Daru his own. Seeing this onslaught from the much larger man, three of the reavers turned their guns on Lorian’s savior—twice savior—and fired. His shield held for perhaps five seconds, then plasma blue as the enamel of Emperors washed over the boy called Daru.
