

Lord Velan Dorr

- Governor-General of [Colchis](#), an Imperial appointee.
- His chief counselor, TOR NUMA, a scholiast.
- His secretary, ADA.
- MODANPOTRA, an agent of Legion Intelligence attached to the Governor-General’s office.

“ On our first visit to Colchis, the governor-general had been a tall, icy woman with white-gold hair and pale eyes. I do not remember her name. But she was gone—dead, I felt sure, another casualty of Ever-Fleeting Time. In her place sat a broad-shouldered, yellow-bearded man dressed in the white suit and red sash of his rank, rings on his fingers like a petty impersonation of the [Emperor](#) himself.
