

# Shayan Rodrigo ban Zana

A minor functionary in [High Prince Aldia Ahmad Rodrigo-Phillipe Di Otranto](#)'s War Office. He lives in the capital, Jaharrad.

## Spoilers ahead, proceed with caution

Shayan Rodrigo was part of the Duban :

- “ Duban had been High Prince Aldia's research project into the man Marlowe's much-vaunted *abilities*.  
[...]  
The High Prince has assembled the best mages on the planet - lay physicists and scholiasts, porphyrogeneticists and military biologists - all to study the man who it was said could not be killed.  
[...]  
Duban had been the Jaddian attempt to understand those powers, to isolate the genetic markers and epigenetic factors that loaned the man his apparently mystic powers. They had hoped to replicate it.[...]  
It had failed utterly. The mages had found nothing, nothing to explain Marlowe's much-vaunted abilities.  
- Tales 4 (The Royal Game)
